RECITALS:

1. The property encumbered by this Architectural Control Committee Solicitation and Composition Policy ("Policy") is that property restricted by that certain Lakecliff on Lake Travis Amended and Restated Declaration of Covenants, Conditions and Restrictions, recorded at Clerk's File No. 2024025575 of the Official Public Records of Travis County, Texas, as amended and supplemented (the "Declaration"), and any other property that has been annexed into and/or subjected to the authority of the Association.

3. As a result of recent statutory changes pertaining to the solicitation and composition of architectural review committee members in property owners' associations bound by and subject to Chapter 209 of the Texas Property Code, the Board has determined it to be in the best interest of the Association to adopt an Architectural Control Committee Solicitation and Composition Policy.

AMENDED AND RESTATED SECURITY MEASURES POLICY
for
LAKECLIFF ON LAKE TRAVIS PROPERTY OWNERS ASSOCIATION

THE STATE OF TEXAS §
 §
COUNTY OF TRAVIS §

I, DANIEL C. WITWER, President of Lakecliff on Lake Travis Property Owners Association (the "**Association**"), do hereby certify that at a meeting of the Board of Directors of the Association (the "**Board**") duly called and held on the 28 day of October, 2025, with at least a quorum of the Board members being present and remaining throughout, and being duly authorized to transact business, the following Amended and Restated Security Measures Policy was duly approved by a majority vote of the members of the Board in attendance.

RECITALS

1. The property encumbered by this Amended and Restated Security Measures Policy (the "**Policy**") is that property restricted by that certain Lakecliff on Lake Travis Amended and Restated Declaration of Covenants, Conditions and Restrictions, recorded at Clerk's File No. 2024025575 of the Official Public Records of Travis County, Texas, as amended and supplemented (the "**Declaration**"), and any other property that has been annexed into and/or subjected to the authority of the Association.

2. The Board has determined that, in order to provide guidance regarding security measures authorized by Texas Property Code Section 202.023, it is appropriate for the Association to amend its previously adopted Security Measures Policy for the properties under the jurisdiction of the Association.

3. This Amended and Restated Security Measures Policy replaces and supersedes any previously recorded or implemented policy that addresses the subjects contained herein, if any, adopted by the Association.

4. Any reference made herein to approval by the Architectural Control Committee (the "**ACC**"), means prior written approval by the ACC.

5. All capitalized terms in this Policy shall have the same meanings as that ascribed to them in the Declaration.

SECURITY MEASURES POLICY

1. **ACC Application Required.** Before any security measure contemplated by Section 202.023 of the Texas Property Code ("**Code**") is constructed or otherwise erected on a Lot, an ACC application must be submitted to the Association and approved in writing in accordance with the Declaration. The following information must be included with the application:

- a. Type of security measure;
- b. Location of proposed security measure;
- c. General purpose of proposed security measure; and
- d. Proposed construction plans and/or site plan.

2. **Other Applicable Requirements.** Owners are encouraged to be aware of the following issues when seeking approval for and installing a security measure:

- a. The location of property lines for the Lot. Each Owner should consider obtaining a survey before installing a security measure;
- b. Easements in the area in which the security measure is to be installed;
- c. Underground utilities in the area in which the security measure is to be installed.

The Association is not obligated to and will not review an Owner's ACC security measure application for the above-referenced issues. Owners should be aware that a security measure may have to be removed if a person or entity with superior rights to the location of a security measure objects to the placement of the security measure.

3. **Type of Fencing.** The Code authorizes the Association to regulate the type and placement and location of driveway gates of security measure fencing that an Owner may install on a Lot.

- a. Security measure fencing generally
 - (i) Security measure fencing cannot contain Decorative elements and embellishments (whether part of the fence construction or are add-on decorative elements/embellishments). This prohibition includes, but is not limited to, prohibiting finials (of any shape or design), fleur de lis, points, spears (of any shape or design), and gate toppers of any type.
 - (ii) Unless otherwise provided by the Association's dedicatory instruments, chain link, brick, concrete, barbed wire, electrified, vinyl, and stone security measure fencing is expressly prohibited and will not be approved by the ACC.
 - (iii) No vines or vegetation shall be allowed to grow on security measure fencing.
 - (iv) Security measure fencing must be located on the perimeter of a Lot; however, it is prohibited for security measure fencing to obstruct: (i) a license area as defined by a written license agreement or plat; (ii) a sidewalk in the public right-of-way or otherwise installed for public or community use; or (iii) a drainage easement or drainage area. If a sidewalk is located within the perimeter of a Lot, the security measure fencing must be located on the residence side of the sidewalk.

- (v) A driveway gate must be set back at least ten (10) feet from the right-of-way if the driveway intersects with a laned roadway, as defined by Section 541.302, Transportation Code.
- (vi) Pursuant to the Declaration, in no event shall any fence extend any closure to the street fronting a dwelling than the front-most building line of a dwelling unless the perimeter fencing in front of a dwelling's front-most building line was installed or constructed before September 1, 2025. The Association may not prohibit an owner from installing fencing in front of a dwelling's front-most building line if the owner's residential address is exempt from public disclosure under state or federal law or the owner provides to the Association documentation from a law enforcement agency of the owner's need for enhanced security measures.

b. Restrictions as to Lots located in Lakecliff on Lake Travis, Section 11:

- (i) For Lots in Section 11 of a structure that can feasibly accommodate a fence within the perimeter of the Lot, the following types of security measure fencing are approvable:
 - a. Rear yard fencing five feet (5') in height; flat top style; wrought iron and powder coated black
 - b. Rear yard fencing is defined as fencing that does not extend past the front façade of the home.
 - c. The Association shall not cost share in the maintenance or installation of fence on a common property line between a private lot and an Association or Club owned lot.
- (ii) For all Lots in Section 11 whose structure cannot feasibly accommodate a fence absent a violation of Section 4 below, security measure fencing will not be permitted.

c. All security measure fencing must be installed per the manufacturer's specifications and all electric gates must be installed by a licensed electrician in accordance with all applicable codes and applicable governmental regulations.

d. Placement of fencing and/or security measures of any type must comply with Texas, City of Austin and/or Travis County Regulations and Ordinances, if any.

e. The ACC shall have the discretion to determine any additional types of approvable or prohibited security measure fencing.

f. If the proposed security measure fencing is located on one or more shared Lot lines with adjacent Lot(s) ("Affected Lots"), all Owners of record of the Affected Lots must sign the ACC application evidencing their consent to the security measure fencing before the requesting Owner ("Requesting Owner") submits the ACC application to the ACC. In the event that the Affected Lot Owner(s) refuses to sign the ACC application as required by this section, the Affected Lot Owner(s) and Requesting Owner hereby acknowledge and agree that the Association shall have no obligation to participate in the resolution of any resulting dispute in accordance with this Policy.

4. **Location.** A security measure may be installed only on an Owner's Lot, and may not be located on, nor encroach on, another Lot, street right-of-way, Association Common Area, or any other property owned or maintained by the Association. No fence shall be installed in any manner that would prevent someone from accessing property that they have a right to use/access such as a sidewalk.

5. **Disputes; Disclaimer; Indemnity.** Security measures, including but not limited to, security cameras and security lights shall not be permitted to be installed in a manner that the security measure is aimed/directed at an adjacent property which would result in an invasion of privacy, or cause a nuisance to a neighboring Owner or resident. **In the event of a dispute between Owners or residents regarding security measure fencing, or a dispute between Owners or residents regarding the aim or direction of a security camera or security light, the Association shall have no obligation to participate in the resolution of the dispute. The dispute shall be resolved solely by and between the Owners or residents.**

EACH OWNER AND OCCUPANT OF A LOT WITHIN THE PROPERTY ACKNOWLEDGES AND UNDERSTANDS THAT THE ASSOCIATION, INCLUDING ITS DIRECTORS, OFFICERS, MANAGERS, AGENTS, EMPLOYEES AND THE ACC, ARE NOT INSURERS AND THAT EACH OWNER AND OCCUPANT OF ANY DWELLING AND/OR LOT THAT HAS A SECURITY MEASURE THAT HAS BEEN OR WILL BE INSTALLED PURSUANT TO THIS POLICY ASSUMES ALL RISKS FOR LOSS OR DAMAGE TO PERSONS, TO DWELLINGS AND IMPROVEMENTS AND TO THE CONTENTS OF DWELLINGS AND IMPROVEMENTS, AND FURTHER ACKNOWLEDGES THAT THE ASSOCIATION, INCLUDING ITS DIRECTORS, OFFICERS, MANAGERS, AGENTS, EMPLOYEES AND THE ACC, HAVE MADE NO REPRESENTATIONS OR WARRANTIES NOR HAS ANY OWNER OR OCCUPANT RELIED UPON ANY REPRESENTATIONS OR WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, RELATIVE TO ANY SECURITY MEASURE THAT MAY BE APPROVED BY THE ACC PURSUANT TO THIS POLICY.

OWNERS OF LOTS WITHIN THE PROPERTY HEREBY AGREE TO INDEMNIFY, PROTECT, HOLD HARMLESS, AND DEFEND (ON DEMAND) THE ASSOCIATION, INCLUDING ITS DIRECTORS, OFFICERS, MANAGERS, AGENTS, EMPLOYEES AND COMMITTEE MEMBERS COMPRISING THE ACC (COLLECTIVELY REFERRED TO AS THE "INDEMNIFIED PARTIES") FROM AND AGAINST ALL CLAIMS (INCLUDING WITHOUT LIMITATION CLAIMS BROUGHT BY AN OWNER OR OCCUPANT) IF SUCH CLAIMS ARISE OUT OF OR RELATE TO A SECURITY MEASURE GOVERNED BY THIS POLICY. THIS COVENANT TO INDEMNIFY, HOLD HARMLESS, AND DEFEND INCLUDES (WITHOUT LIMITATION) CLAIMS CAUSED, OR ALLEGED TO BE CAUSED,

IN WHOLE OR IN PART BY THE INDEMNIFIED PARTIES' OWN NEGLIGENCE, REGARDLESS OF WHETHER SUCH NEGLIGENCE IS THE SOLE, JOINT, COMPARATIVE OR CONTRIBUTORY CAUSE OF ANY CLAIM.

Any installation not in compliance with this Policy will be considered a violation of the dedicatory instruments governing the Subdivision.

CERTIFICATION

I hereby certify that I am the duly elected, qualified and acting President of the Association and that the foregoing Amended and Restated Security Measures Policy was approved by not less than a majority vote of the Board as set forth above and now appears in the books and records of the Association, to be effective upon recording in the Official Public Records of Travis County, Texas.
