# 2021 in Review

- Change of property owner mix from investors to builders Substantial increase in lot owners wanting to build and Demographic Changes
- Property values increasing significantly due to multiple factors
- Amended CCRs voted on and implemented in January 2021
- Board changes
- New State Laws compliance
  - ACC Committee
- Conflict of Interest Policy voted on and enacted
- New Website and Welcome Packets for the POA
- Sustainability of the Community Reviews
  - Begun 5 Year Planning process
  - Firewise
  - Roads
  - Cottage painting and landscaping redone
  - Fence repairs approved and in process
  - Irrigation Water Workshops Infrastructure and costs
  - Security Workshops Modernizing our Security to meet the growth
  - Drinking Water and Sewage Aqua Texas and LCRA

### Firewise

## Firewise Update

- POA Board instituted the Firewise standard in early Q4 2021 to protect Lakecliff from potential wild fires
- POA Board has conducted a Firewise Workshop review on January 18<sup>th</sup> with
  - Alex Bregenzer Texas A&M Program Coordinator
  - Clarence Biddy Arborist w/ Bartlett Tree Experts
  - Peggy Strong
  - Steve James
  - Matt Moore
- Post the review, the POA Board has determined that:
  - "The Firewise program is a recognition process for communities based around a framework of voluntary criteria"
  - Based on the learnings, a new set of guidelines will be issued
  - The commitment to Firewise is a worthy goal to protect our community

## Roads Update

## Roads Update

- POA Board met with Loan Star Paving Jim Ramming
- Examined all roads
- Determined Base is Good
- Board determined that due to condition of streets and amount of construction, we will postpone any road work to 2023
- At this time, we have ~\$166,000 in reserves for road work
- Anticipated costs are \$120,000 for sealing only (without any repairs) to \$400,000 based on work required
- Additional reserves to be applied in 2022

## Cottage Landscaping and Painting

## Fence Painting Update

## Fences -Before

## Irrigation

## Irrigation Discussion

- Questions in previous POA Board Meeting regarding the cost of irrigation water
- POA has done a preliminary review of our current cost structure and compared this to like communities
- Current Cost
  - LGC charges POA \$2.65 per 1000 gallons of water
  - LGC charges \$800 per month for pump maintenance
  - Rocky charges \$380 per month for meter reading
  - POA charges homeowners using water \$4.20 per 1000 gallons of water
  - Year to date POA has generated revenue of \$50,000 with a net loss of ~\$5000
  - POA has been advised LCRA rates are increasing as of 1/2022 and LGC will pass through additional expense of \$0.18 per 1000 gallons
  - We have future expenses for maintenance of pipes and installation of new pipes not previously installed
- BCL Irrigation Costs
  - \$70 per month per home/lot owner (everyone pays)
  - \$1.70 per 1000 gallons of water

## Irrigation Discussion

- Spanish Oaks and
- Rough Hollow Pricing

## Irrigation Discussion

- Comparison of BCL and Lakecliff Homeowners
  - YTD Cost of Irrigation Water to residents of Lakecliff is ~\$50,000
  - If Lakecliff went to the BCL model, the cost to the residents would increase to ~\$161,000
  - Primary drivers are everyone pays a flat \$70 per month per lot
  - Many of Lakecliff residents would incur a significant burden in the BCL model
- Comparison of Spanish Oaks/Rough Hollow and Lakecliff Homeowners
  - Cost of water would increase dramatically as usage of in-home water and irrigation water would drive prices into the upper zones of pricing
  - Based on YTD average usage by homeowners at an average of 400,000 gallons per month not including in-home water, prices would jump to an average of ~\$10.37 per 1000 gallons or average cost would go from today at ~\$1708 per year to ~\$4100 per year
- Next Steps
  - Keep billing to residents as is until May 2022 when we will review all costs with Lakecliff Golf Club

## Security

## Security

- Survey Results The Board did a survey of the members conducted with Goodwin on their site regarding interest in having Security
- The survey showed that ~60% of POA members would like to see Security added
- The POA Board moved to look at options for security
  - Guards at the Front Gate
  - Greeters at the Front Gate and adding Remote monitoring by a Professional Security company
  - Technology solutions that would enable a more modern approach to managing the Front Gate to include improving the technology at the Front Gate
- We have had substantial guidance from professional law enforcement officers that are residents of the community
  - Linda McAdoo
  - Barrett Wilson

## Security

- Option Keys
  - Cost
  - Flexibility
  - Ability to allocate costs
  - Technology that will modernize the community and add the most security
  - Not people reliant
- Actions Multiple Security Workshops held open to the community
- Next Steps
  - Move forward with Allied Universal proposal In Negotiations now

## Aqua Texas Meeting

Bob Laughman – President of Aqua Texas

Scott Foltz – Manager Aqua Texas

Mike Lange

Steve James

Laurie Chapman

David Chapman

Dan Wittner

## Aqua Texas Discussion

- How many homes is Aqua anticipating serving in Spicewood in the SH 71/Pale Face Ranch Rd./CR 404 area over the next 10 years? – Aqua has put in the infrastructure to support a minimum of 1200 connections. This includes wells and Lake Travis piping that feeds to the water plant in BCL.
- Do these numbers include the Thomas Ranch and the Hines project? Aqua has had conversations with Hines but that has not progressed. At this point, they are not anticipated to support Hines or Thomas Ranch.
- How many homes is the current Aqua system(s) for Barton Creek and Lakecliff engineered to handle? 1200
   Connections
- Will the new Aqua intake/filtration system at BCL and the current wells support the corridor of Paleface Ranch Road, State Hwy 71 and CR 404 for drinking water? See above.
- Will some sort of a larger water holding facility (tank) be required? Not at this time
- Is Aqua's contract with LCRA Interruptible? No
- How does this affect Lakecliff? Does not.
- How will Aqua Load Balance?
  - How does Aqua manage water to/from Lakeside and Lakecliff? This is being managed real time as required
  - Are additional water/pipelines required to meet the additional demand? Where will they be located? No
- If there is a drought, what is Aqua's plan?
  - Drill new wells.- Have 3 wells already and they are working. Other water intake can facility is sufficient
  - Pipe in No
  - Other None
- What will be the effect on the current sewage facilities and effluent with the addition of the new homes that are proposed? Aqua is investing in a new sewage treatment plant in BCL. It will be sufficient for capacity. Effluent treatment and distribution is being evaluated. Some will be treated from type 2 to type 1 for use on golf courses and yards
- What are the key areas the POA should focus on to ensure our residents have sufficient water going forward for years? – Work with Central Texas Water Coalition (CTWC) to have leverage on LCRA.
- Is Aqua working with the CTWC? Not at this time but they will work with us to do this.
- How can we partner with Aqua to accomplish this? Continue to build a strong partnership and professional relationship with Aqua.

### Aqua Texas — New Plant in BCL

### Aqua Texas – Water **Quality Report**

Agua did an initial water quality analysis for the purpose of assessing hardness and potential corrosion, results attached, all was good. The test that are used to ensure proper treatment, Turbidity (measure of cloudiness & effectiveness of the filtration), chlorine residual (disinfection), pH, and water temperature are monitored continuously by instruments at the plant. Control systems shut down the plant if they are outside allowable ranges. Bacteriological test are run monthly as with the old plant and all other chemical monitoring is conducted by the state (TCEQ) on a schedule they set and it varies depending on the type of analysis.

Scot Foltz **Environmental Compliance Manager** Aqua Texas

#### LCRA Meeting

Bob Rose – Chief Meteorologist Kelly Payne – VP Water Operations Monica Masters – VP Water Resources David Chapman

#### Fall and Winter Weather Outlook

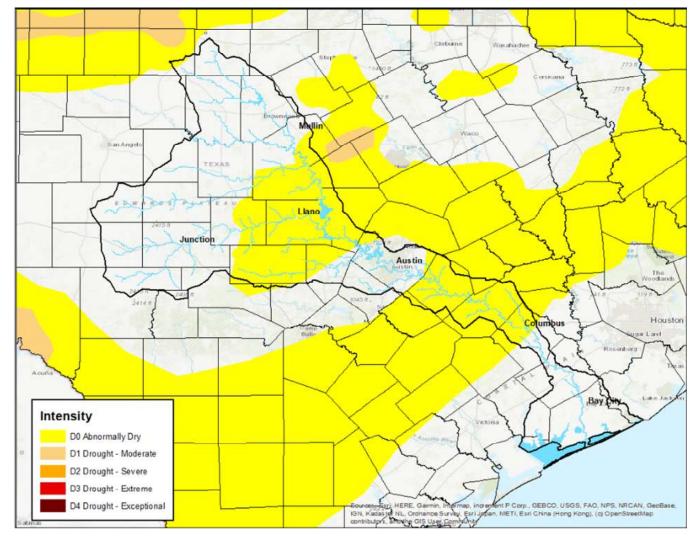

- Warmer-than-normal temperatures expected this fall
- Rainfall averaging below normal beginning in November
- Tropical weather could still be a factor for rain in October
- A weak La Niña expected to develop and persist through winter
- Winter temperatures averaging milder than normal
- Winter rainfall averaging below normal
- La Niña forecast to weaken and dissipate next spring

#### U.S. Drought Monitor

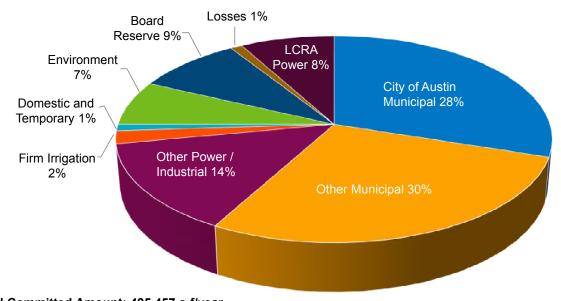

Lower Colorado River Basin

As of Sept. 28, 2021

#### **Firm Raw Water Contracts and Commitments**

Total Committed Amount: 495,457 a-f/year Oct. 1, 2021

#### **Total Annual Water Use**

| Type of Water Use                  | 2020<br>(acre-feet) | 2021 Projected* (acre-feet) | % Change     |
|------------------------------------|---------------------|-----------------------------|--------------|
| Municipal (firm)                   | 251,970             | 256,000                     | 2% Increase  |
| Industrial (firm)                  | 50,343              | 75,000                      | 49% Increase |
| Recreational and Irrigation (firm) | 7,568               | 2,000                       | 74% Decrease |
| Agricultural (interruptible)       | 247,573             | 181,000                     | 27% Decrease |
| Environmental                      | 115,586             | 41,000                      | 65% Decrease |
| Total Water Use                    | 673,040             | 555,000                     | 18% Decrease |

<sup>\*</sup>Based on measured use for January through September and projected use for October, November and December.

#### Vote on Consolidated CCRs

### ACC Update

Collaborate with residents to ensure they have a positive experience in building/renovating

Engage with builders to expedite the process

Ensure Architectural standards for Lakecliff are applied consistently

Enhance the Quality of Life for the Residents

#### ACC Update

#### **New Construction**

- 15 Homes/Villas under construction
- Expect 12-15 Homes to start in 2022
- Good feedback on new Construction Consultant
- Improving processes to help expedite construction

# Overview of Rules Document

#### **Board Vision for Lakecliff**

 "An Exclusive, Private Lakefront Neighborhood with Strong Building Standards, Attractive Landscaping and limited Traffic in a Quiet Setting in the Texas Hill Country"

#### **ACC Actions to Support Vision**

- Maintain a design environment consistent with iconic nature of the Hill Country
- Encourage architectural designs that work with our unique lots and encourage preservation on our native plants/trees
- Maintain diversity in architectural design
- Preserve the private and quiet nature of our community

# Overview of Rules Document

#### **Purpose**

- Replace Multiple Construction Documents
- Includes information that has been recently implemented by POA Board
- Clarify Questions Often Asked By Homeowners/Builders
- Simplify the Building Approval/Process
- Add Some Improvements to maintain Beauty of Lakecliff
- Adjust Building Fee Structure
- Implement a Fee Structure for violations to Improve Compliance

# Overview of Rules Document

#### **Highlights**

- Suggestions for Exterior Home Design to complement the Lakecliff Vision
- Dark Skies and Firewise guidelines
- How to use our Construction Consultant throughout the building process
- When the ACC should be involved in your project
- Vetting of Builders new to Lakecliff
- Increased focus on landscaping design
- New Fees for non-compliance during the building process

#### 5 Year Plan Framework

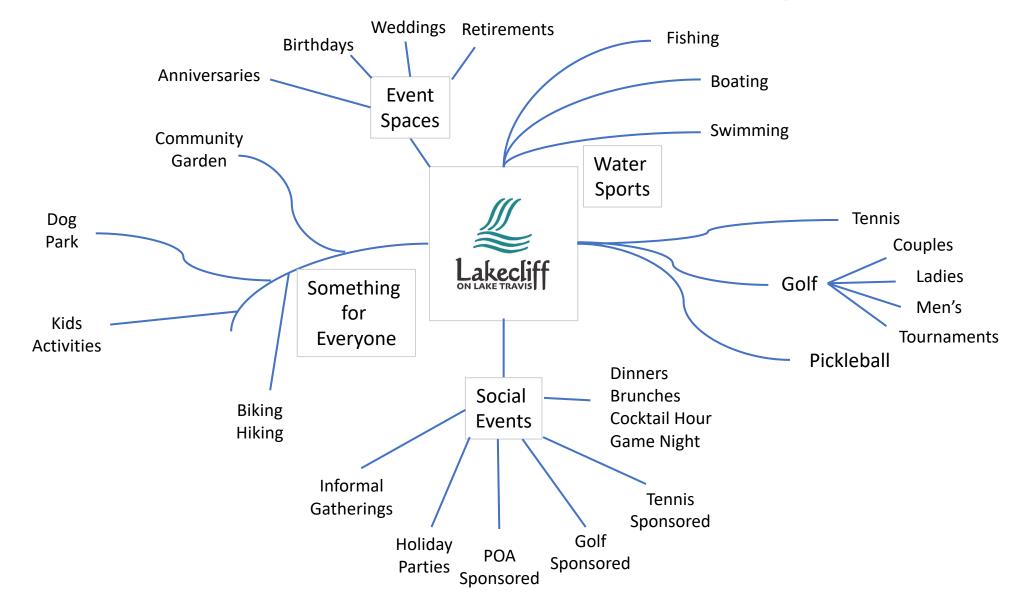

#### Vision for Lakecliff

#### Our Community aspires to be a World Class community that provides the very best

- Home construction governed by architectural standards
- Amenities that enhance the quality of lives for the residents
- Infrastructure that is long term sustainable
- Culture that is warm and friendly
- Financially stable and self-sufficient
- Governance that is transparent, fair, accountable, caring, actionable and focused for the good of the community

### Lakecliff Life – A World Class Experience

# Elements of a World Class Community

#### Elements of a World Class Community

A mixture of beautiful homes that reflect quality and the essence of the Hill Country

Beautiful entryway to the community that reflects the elements of the community

Roads that reflect quality

Landscaping that creates continuity through-out the community

Modern Security solution that is easy to use and provides the highest level of security for the community

Amenities that cater to all residents

#### Homes

A mixture of beautiful homes that reflect quality and the essence of the Hill Country

#### Entryway

Beautiful entryway to the community that reflects the elements of the community

# Roads and Infrastructure

- The POA Maintains over 5 Miles of paved roads
- The Roads must reflect the quality of the neighborhood
- Over 10 Miles of Irrigation managed and maintained by the POA
- Guardhouse, gates, landscaping, fencing, community park....all maintained by the POA

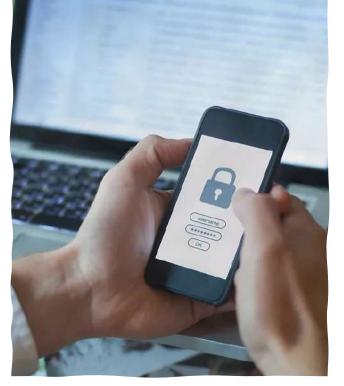

### Landscaping

Landscaping that creates continuity through-out the community and reflects the Hill Country

#### Security

Modern Security solution that is easy to use and provides the highest level of security for the community allowing tracking visitors, residential access control, LPR, builder management and reporting on usage...this solution can secure our community.

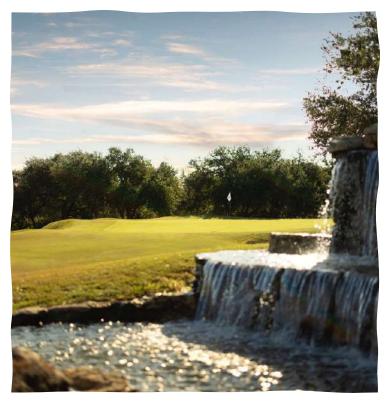

#### Amenities

## Golf

### Tennis

## Swimming

### Lake Access

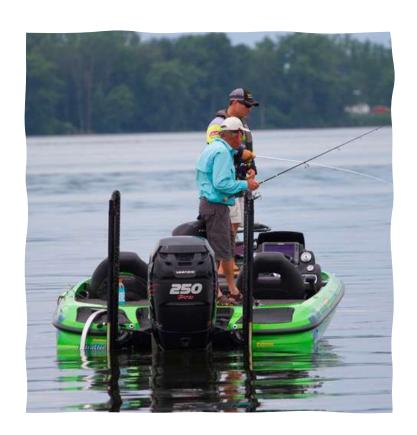

# Fishing

# Gathering Places

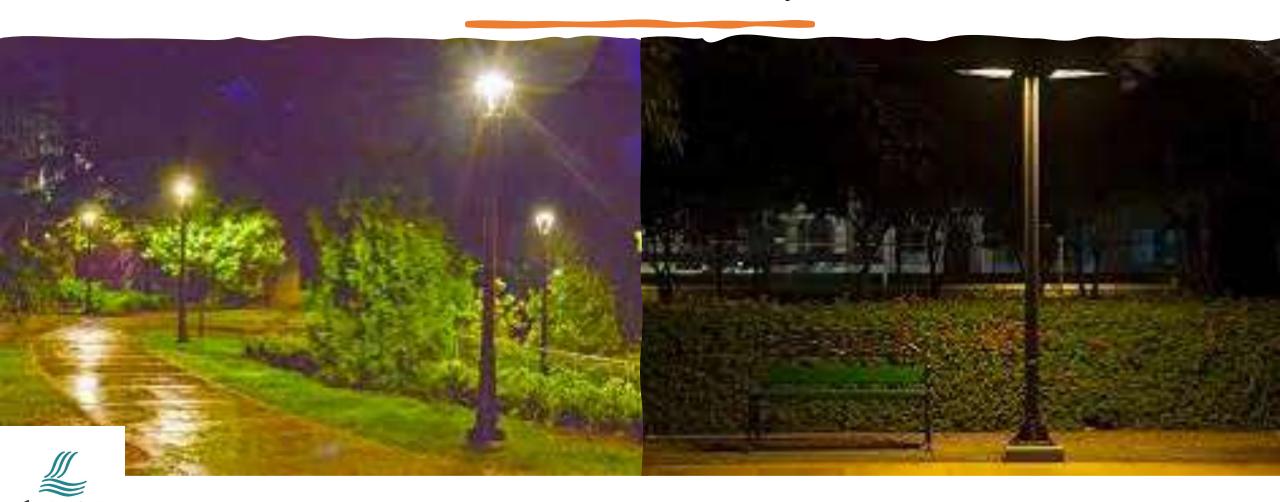

# Dark Sky Lighting Throughout the Community

# Nationally Ranked Schools

#### Marble Falls ISD

- 1222 enrolled in High Scholl
- 14:1 Student to teacher ratio
- Top 50% High School Programs Nationally

#### **Questions to Answer**

- What events/improvements can we do to enhance the community and reputation?
- How can we improve the community amenities and infrastructure?
- How can the Board better serve?

# 5 Year Planning Workshops March, June, September, December
